

August 22, 2016

Dear Parents,

On Monday, September 12, 2016, our after school athletic program will begin the girls Volleyball season for the 2nd -4th grades. This year we are establishing a team of novice players in order to get experience and prepare them to play in the future. This group will not be participating in games. The goals of the 8 week program are to develop each child's athletic potential, to instill a love for the sport, to learn the fundamentals and to develop good sportsmanship. If you have any questions please contact Coach Carlos.

Changes made to the schedule and any updates will be sent out via email or text. If you have any questions please contact Coach Carlos.

The cost for the program is \$150. This fee includes equipment, coaches and medals. Student-Athletes are responsible for purchasing knee pads which may be found at any local sporting goods store. Students must also have their athletic physical and registration completed before they are allowed to practice.

The practice schedule will be as follows: Monday-Friday 3:00-3:45 p.m.

Please return the registration form and fee to the office before the first practice. If you have any questions, please call Adrian Izquierdo.
