

**Will Rain Ruin the Day?
By Miriam Ruiz**

**We're halfway through the day
but I'm still waiting
for the rain.
Recess has not come yet
but rain might ruin the day.**

**I've been worried
since morning
but nothing has
happened. Wow! it's
noon and my
heart is beating.**

**When I hear the
lunchbell ring, I'm
not so worried
anymore. I guess
the weather
was wrong, but
No, I was wrong.**

**As I walk in
the hall, I hear
the rain
Pour,
O well, sunny day –
Goodbye....back up
the stairs to play
7-up, to close my
eyes, put up my
Thumb.**
