

Conchita Day
By Cecilia Amaro
5th Grade

Conchita was the founder of our school. On Conchita Day we honor Conchita and celebrate her birthday. She made our school a wonderful place to learn, make friends, and enjoy the arts. She was an inspirational person. Conchita Espinosa was a woman with an incredible dream – a dream to build a school where everyone can be well-rounded. She tried very hard to make our school what it is today. And for all that, we all, as a whole school, adore her! Thank you, Conchita!
